

Reliable supports for icare clients

Leora.

Life can be unpredictable, and participants need support that keeps up. Leora is a trusted icare provider, delivering care for participants with injuries covered under programs like **Lifetime Care, Workers Care, and Dust Diseases Care.**

Our team works closely with case managers and clinical consultants to provide **clear, coordinated, and reliable support** that keeps participants connected to their care team and routines.

Our icare support includes

-  Personal care such as showering, dressing, and grooming
-  Domestic assistance including meal preparation, cleaning, and laundry
-  Support attending rehabilitation, medical appointments, and community activities
-  Assistance building skills, independence, and social connections
-  Clinical support including wound management, PEG feeding, continence care, and medication administration
-  Care planning, monitoring, and on-call guidance when needed

Why partner with Leora for icare Support

-  **Recognised icare provider across NSW**
-  Support that aligns with participants' goals and routines
-  Professional clinical team backed by exceptional support staff
-  Clear communication and consistent service delivery
-  Assistance that empowers participants to stay safe and independent
